

DWN No.:
C-110916

Technical drawing of a shaft assembly. The shaft has a central section with a diameter of 1.50. The total length of the shaft is 10.80, labeled as "working height". The minimum length of the central section is 10.20, labeled as "MIN working height". The shaft is shown with a cross-section at the right end, indicating a circular profile.

Technical drawing of a vertical plate with two circular holes. The distance between the centers of the holes is dimensioned as 5.08. The diameter of the top hole is dimensioned as Ø1.00.

Table 1 Mechanical performance		
working height	10.80mm	120±25gf <2.1>
Durability	10,000cycle	

- 1 Dimensions shall be interpreted per ASME Y14.5M.
- 2 Mechanical performance(See the table 1)
- <2.1>The force is the average of forces obtained when pl goes downwards and upwards.
- <2.2>Warning:Working height are not permitted to be less than Min working height.
- 3 Electrical performance
Resistance: 30mOhm Max.
Current rating: 3.0A
- 4 RoHS compliant.
